**So come cool off at the GRETNA FARMERS' MARKET with the coolest fresh foods in town!**

**New vendor to the market: Big Jim's Freeze Dried Foods** and Edible Enterprises – an incubator for small vendors, will be sending **Sicily's Finest Gourmet Foods** with their **Pasta Sauce** this week. They will rotate about 20 different vendors thru our market on different Saturdays, so we'll have a constantly changing array of new products.

**Old Favorites are:** N.O. Jazzy Jams & Jellies, Portera's Bakery and Snowballs, Dana's Herb Butters, DeSalvo's Cracklins and Pickled Eggs, Durham Farms Peaches, Kettle Corn & Lemonade, Crawfish Bread, J & M Farms Produce, T & T Plants, Hungry Hound Dog Treats, Nancy Gonzales Salsas, Fresh Eggs & Produce, Amato's Wines and Sausages, River Bend Bakery, Hedge Hog BBQ, Tee Mimi Pies, & Hedge Hog BBQ

Nancy has Agua Fresca to keep you cool while shopping and Don has lemonade in a bunch of fresh fruit flavors and Portera's has snowballs, so, don't sweat the heat, we're under cover!

If you come early and really beat the heat, Nancy has breakfast burritos!
